Duties and Responsibilities

The main responsibilities of BRI Head of Investor Relations are to formulate strategies and perform the communication functions related to the Bank's performance and strategy to shareholders, securities holders, analysts and rating agencies of BRI.

In order to meet the responsibilities and comply with regulations as well as improve effective communication, BRI Investor Relations Division conducts various activities, as follows:

1. Analyst Meeting

A quarterly activity for the exposure of BRI performance to the analyst/ securities company so that they can present an updated report with the latest data to investors.

2. Company Visit - Field Visit

Receive visits from investors/ analysts aim to update the latest performance and to directly view the Bank's operations both at the headquarters and in operating units.

3. Conference Call

Conducting tele-conference activities to accommodate the needs of investors/ analysts in obtaining corporate information and economic conditions that affect the business and operations of the company.

4. Investor Newsletter

Update the latest information by publishing a newsletter at the BRI investor relations website.

5. Investor Conference dan Non-deal Roadshow

Conducting communication activities through 1-on-1 meetings and group meetings with investors both at home and abroad, especially in the cities of the global financial centers in Asia, Europe and America.

6. Rating Review

Conducting the communication and data delivery activities in the framework of rating conducted by rating agencies used by BRI, both international rating agencies (Moody's, Fitch Rating, S & P) as well as domestic rating agencies (Pefindo).
